Dear Parents/Caregivers

It was great to see everyone back today, keen to meet up with friends, share holiday stories and start the new term. I hope that the break was an enjoyable one for our East Taieri school community. We are looking forward to the whole school outdoor education day at Tirohanga on Friday.

WELCOME

A warm welcome to the new students joining us this term. Heath McMahon has joined Room 9, Kimberly Thomas Room 11 and Will Calvert Room 10. We wish them happy times at East Taieri.

TIROHANGA OUTDOOR EDUCATION DAY – THIS FRIDAY

All students are participating in an outdoor education day at Tirohanga Camp this Friday. Children are travelling by bus. Thanks to parents who are accompanying us as helpers. Please park down the driveway to leave the parking area clear for buses.

The weather forecast isn't great so children will need warm clothes and footwear suitable for walking on muddy tracks – gumboots would be fine. Children are to wear mufti. Please make sure that children have a good lunch and a drink bottle of water.

There is no postponement day so if the day is cancelled because of the weather, there will be a notification on the school website and our Facebook page.

TEACHER ONLY DAY

The Board of Trustees has approved a Teacher Only Day to be taken on **Monday 22 May** to enable teaching staff to visit schools in Christchurch that have been successfully using a collaborative approach to teaching for a number of years.

- **School will be closed.**

MOTHER'S DAY LUNCH

Mothers, (grandmothers, aunties – if mothers can't make it) are invited to bring their lunch and share it with their children as a **Mother's Day celebration on Friday 12 May at 12.30pm.**

MATHS EVENING

On Wednesday 7 June we will be having our maths evening for parents and children. The evening goes from 5:30pm -6:30pm. It will begin in the Owhiro Centre where we will present an explanation of how the maths evening will operate. Each team will have stations run by 'expert' children. These experts will help to explain what strategies your children are using or learning in class, as well as the knowledge required at each stage. This night will be very informative and we encourage all parents to come along with their children.

ENTERTAINMENT BOOKS

Could all payment for Entertainment Books or returned Entertainment Books please be returned to school by **THIS FRIDAY.**

HELP FOR THE MULDER FAMILY

Over the past 18 months Geoff Mulder, one of our Dads, has been undergoing chemo treatment. The Mulder family is trying to fund new medical treatment for Geoff, which is putting them under considerable financial pressure. As a school community, we would like to help in any way we can.

If you would like to donate petrol vouchers, grocery vouchers, or any form of financial assistance, please drop into the 'Mulder Family' box in the office. Thank you to the families for their generous contributions during the last week of term.

CHILDREN ARRIVING BEFORE 8.30AM

A reminder about procedure for children arriving at school before 8.30am - Kelly Club provides supervision for children from 7.30am – see information sheet from the office for costs/times/occasional bookings, etc. Children who are not booked in at Kelly Club, but arrive at school before 8.30am will need to wait on the courts, as they are not permitted into classes before then. This is a valuable time for teachers as they prepare for the day. Your support in this matter is appreciated.

BIBLE IN SCHOOLS

Bible in Schools will be starting this term for the Senior school only. The weekly 30 minute sessions support our school Values. If you would like to see an overview of the programme please contact Jo Hackfath at school.

Teachers are:

Room 1 - Raelene Stephenson

Room 2 - Chris Nicholls and Heather Moore

Room 3 - Regan Roff

Room 4 - Justine Grieve

If you do not wish your child to participate, please contact the office.

HEALTHY FOOD EXPO

The Food Expo at the end of Term 1 was a great culmination to our 'Healthy Mind, Healthy Body' Inquiry. Classes prepared something healthy to drink or eat, then each child was given two tokens which they could then use to swap for a delicious healthy snack.

Thank you to the choir and our senior students who led our ANZAC service during the last week of term. Our grateful thanks to Ah-Lek Tay for giving up his time to come out to school to play 'The Last Post' for the service, adding a special dimension to the occasion.

EAST TAIERI VALUES

To align with our new vision we believe we need to review our current school values. We would appreciate your input to develop a new set of values for our school. **Could you please take the time to write your ideas below and return to the office by the end of this week.**

Values are:

Values are deeply held beliefs about what is important or desirable. They are expressed through the ways in which people think and act.

1. What is important and desirable in our school?

2. How should our students be thinking and acting?

3. What is to be encouraged, modelled, explored?
